

Echuca Regional Health invites you to their 2022 Research and Innovation Symposium – **“Universal Access: Innovative Care and Workplace Diversity”**.

We invite you to submit abstracts to showcase your innovative research and quality projects. Abstracts are welcomed for posters and oral presentations, and projects that are completed or in progress. Your abstract should be 200-300 words.

Please refer to the below Abstract Guidelines.

**Echuca Regional Health Research and Innovation Symposium  
30<sup>th</sup> – 31<sup>st</sup> March 2022**

**“Universal Access: Innovative Care and Workplace Diversity”**

**Abstract Submission Guidelines**

We invite you to submit abstracts to showcase your innovative research and quality projects. Abstracts are welcomed for posters and oral presentations, and projects that are completed or in progress. Your abstract should be 200-300 words. Please use the subheadings below, but delete any subheadings that are not relevant.

All abstracts will be peer reviewed by the ERH Research and Innovation Symposium Scientific Committee who will select abstracts for oral or poster presentations. There are no registration fees or fees to present at the symposium.

If you require further information or would like assistance with writing your abstract, please contact the ERH Office for Research ([research@erh.org.au](mailto:research@erh.org.au)).
