

2024 Allied Health Scholarship EOI Application

Supported by the Division of Murray Plains and Echuca Regional Health

Background

The Murray-Plains Division established a trust to support the professional development of Allied Health professionals across the local community. Echuca Regional Health has partnered with Murray-Plains to offer Allied Health professionals in our local community opportunities for financial support toward professional development.

Target Audience

Allied Health practitioners living in the greater Echuca-Moama and Deniliquin region.

Allied Health practitioners are invited to apply for grants to support professional development activities.

Allied Health professionals located in Kyabram, Deniliquin, Echuca, Rochester, Elmore, Barham and Cohuna are encouraged to apply.

Application Process

Applications are open. **Next interview round will be November 2024.**

Please email your resume and a cover letter outlining your current areas of employment or study and a response to the key selection criteria questions.

- Proposed Use for Grant (please include course details and dates)
- How will the local community benefit from your upskilling or training?
- How much financial assistance are you requesting?
- How will the training or upskilling be shared with other Allied Health clinicians

Applications can be emailed to erhscholarships@erh.org.au

Please title the subject line: Murray Plains Allied Health scholarship application.
