

Glanville Village, our residential aged care facility, achieved accreditation.

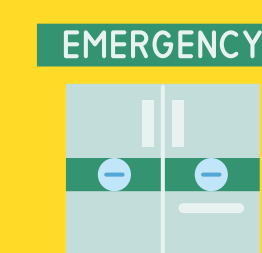

We were finalists for the Health Service of the Year awards in two categories.

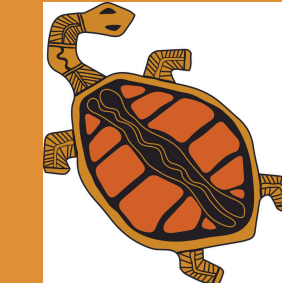

We conducted the Echuca Regional Health Research Symposium

We continue to align all we do with our values of Collaboration, Accountability, Respect and Excellence.

Our work with the Timely Emergency Care Collaborative improved patient access to our Emergency Department.

We worked with the Yorta Yorta people to enhance cultural safety and combat racism at Echuca Regional Health.

We launched 'ERH at Home' services and increased home-based care services our community clients.

We completed a Clinical Services Plan to plan for the hospital's future.

headspace Echuca processed 423 referrals for the year, surpassing 1000 referrals since opening in 2022.

We increased our surgical activity and non-surgical alternative pathways.

We worked with and listened to our staff, partners and community to draft a new Strategic Plan.

We provided flood recovery leadership, services and support to our local community.

We recorded a deficit operating result for the financial year ending 30 June 2024. The deficit result was 3% of our total revenue.

We exceeded activity targets set by the Government by 14%.
